#### INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors of Extreme Kids and Crew, Inc. Brooklyn, NY

We have reviewed the accompanying statements of financial position of Extreme Kids and Crew, Inc. (the "Extreme Kids") as of December 31, 2015 and 2014 and the related statements of activities, statements of functional expenses and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement whether due to fraud or error.

#### Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

### **Accountant's Conclusion**

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

#### **NOTE 1 - ORGANIZATION**

Extreme Kids and Crew, Inc. (the "Extreme Kids") is a not-for-profit organization that combats the stress and isolation faced by children with disabilities and their families through play, arts and movement programming, partnerships with cultural and therapeutic institutions, parent meet-ups and more. The overriding goal is to create a low-pressure environment where special needs children and their families can enjoy a creative and stress-free experience.

The sources of financial support are from membership fees, grants and contributions from individuals, foundations and corporations.

For Federal income tax purposes, the Extreme Kids is classified as a 501(c)(3) organization and is exempt under Section 509(a)(2) of the Internal Revenue Code and a similar provision of the New York State income tax laws.

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Extreme Kids have been prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America. The significant accounting policies are described below.

Basis of Presentation

The net assets of the Extreme Kids are reported as follows:

#### Unrestricted

Unrestricted net assets are net assets that are neither permanently restricted nor temporarily restricted by donor-imposed stipulations and are available for the general operations of the Foundation.

#### Temporarily Restricted

Temporarily restricted net assets include gifts of cash and other assets received with donor stipulations that limit the use of the donated assets. When a donor restriction expires or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

#### NOTE 2 - (continued)

#### Permanently Restricted

Permanently restricted net assets include funds that have been restricted by the donor to be held in perpetuity. Extreme Kids did not have any permanently restricted net assets as of December 31, 2015 and 2014.

### Cash and cash equivalents

Extreme Kids considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

#### Grants and Contributions Receivable

Grants and contributions receivable that are expected to be collected within one year are recorded at their net realizable value. Grants and contributions receivable that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discounts on these amounts are computed using a risk-free interest rate applicable to the year in which the contribution is made. Amortization of the discount is included in grants and contribution revenue.

#### Contract Revenue

Contract revenue is recorded when contract stipulated milestones are met.

#### Property and Equipment

Extreme Kids capitalizes property and equipment at cost. Depreciation of property and equipment is provided on the straight-line method over the expected useful lives of the assets as follows:

Furniture and equipment	5 years
Computers and software	5 years

#### NOTE 2 - (continued)

#### Functional Expenses Allocations

The costs of providing the various programs and other activities of the Foundation have been summarized on a functional basis in the accompanying statements of activities. Accordingly, certain costs have been allocated among the programs and supporting service benefited. Such allocations are determined by management in accordance with grant provisions and/or other equitable basis.

#### Concentrations of Credit Risk

Financial instruments that potentially subject Extreme Kids to concentrations of credit risk consist primarily of cash and cash equivalents. Extreme Kids maintains cash and cash equivalent balances in various bank accounts that, at times, may exceed federally insured limits. Extreme Kids' cash accounts were placed with high credit quality financial institutions. Extreme Kids has not experienced, nor does it anticipate, any losses in such accounts.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Income Taxes

Extreme Kids has adopted Accounting Standards Codification ("ASC") 740 "Income Taxes." ASC 740 requires that a tax position be recognized or derecognized based on a "more likely than not" threshold. This applies to positions taken or expected to be taken in a tax return. The adoption of this guidance did not have an impact on the Foundation's financial statements, as management believes that there are no uncertain tax positions within its financial statements. Extreme Kids has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; determine its filing and tax obligations in jurisdictions for which it was nexus; and to review other matters that may be considered tax positions.

Extreme Kids' Form 990, Return of Organization Exempt from Income Tax, for the years ending December 31, 2012, 2013 and 2014 are subject to examination by the IRS, generally for three years after they were filed.

Extreme Kids has two playspaces which it leases on an annual, rent-free basis. These spaces are respectively owned by the New York City Board of Education and the New York City Parks Department.
